Dear Linwood Members and Friends,

I hope your holidays were overflowing with family, friends, celebration and remembrance. The Board of Directors at Historic Linwood Foundation would like to thank each and every one of you for your generous support throughout 2014. The Foundation is grateful for your continued dedication to the mission of preserving and restoring this Historic Cemetery in spite of the slow economy of this past year.

We had many accomplishments in 2014: we received a matching grant from the Mildred Miller Fort Foundation for masonry restoration projects, we published our coffee table book *Linwood Through the Lens*, street signs were installed in the cemetery, the 3rd Saturday Tours have become a "must do", and the Ramble was another huge success!

We were able to achieve these accomplishments due the work and generosity of our members and volunteers. But, we do have a problem that will affect the Foundation in the future, and that is our membership numbers. As our

membership population ages, it is imperative that we reach out to our younger generations to insure that the Legacy will remain alive. We have membership categories ranging from \$35.00 to \$5000.00 per year; we have a membership category for everyone no matter what their economic state. I ask that you pass this newsletter on to someone you know. A membership form is on the back page. I would like to challenge each of you to invite just one friend or family member to join the Foundation. With the hope and promise of a new year, let's make it our goal to bring new members to the Historic Linwood Foundation.

And remember, if you know of someone planning a wedding, or a group that needs a place to meet, the Lummus Chapel is a great place for events. Also, if your organization needs a speaker, I am always willing to talk about Linwood Cemetery and the Foundation. Have PowerPoint, will travel!!!

As spring approaches and the temperatures start to rise, we hope to see you in the cemetery!

Until nexttime,

Jane

*From our President: Scott Boyce*

*Based on your overwhelming support and the successful completion of the Mildred M. Fort Foundation matching grant drive, it appears that Linwood Cemetery will have an active start on restorations in 2015. The 40 masonry restoration projects outlined in our report, submitted to the Fort Foundation Board of Directors, will begin this month and continue this year and into 2016. As we proceed with each project we will follow-up with examples of before and after photo's along with commentary and documentation.*

*We encourage you to visit Linwood, continue to support Linwood Foundation, and look forward to seeing you at our events this coming year. As we segue from the printed newsletter to the email editions our contact and information presented should increase and drive awareness of all that takes place in Linwood (Ramble, Easter events, 3rd Saturday Tours, Funerals, Restoration, Membership, etc.).*

*Thanks for your continued support of Historic Linwood.*

*Scott*
